There is a small off-leash area, muzzled dogs can use it, if they are accompanied by their owners. No exceptions! Greyhounds only! Help us keep everyone safe.

This RooFest is being dedicated to one of our own. Sue Law passed away on January 29, 2015. She was one in a million having fostered over 70 dogs. Such a love for the breed is hard to find. Sue, we know that you were overwhelmed at the Bridge upon arrival with the greeting from all the furry friends you cared for. Godspeed dear Sue!
